## Five Vying For Seats On Didsbury Town Council

Nominations for two vacancies on the Didsbury council were received at the town office on Wednesday morning. Unofficial reports at this time have it that there will be five contestants in the race for a position on council; three for school board, and it is understood that Ed Ford was returned to the hospital board by acclamation.

Those who have their eye on the council seats include Elmer Felper, George Wilkins, Lawrence Eby, Dr. R. Bankier and Fred Metz.

Those nominated for school board include C. Leeson, L. Clayton and T. Dageforde (two vacancies).

Town elections will be held here on Wednesday, October 15th. If you are eligible to make a choice make sure you're on hand that day.

## WESTERDALE NEWS

(From Our Own Correspondent)

Mr. and Mrs. R. Owen and family of Calgary were recent visitors at the home of Mr. and Mrs. H. Jackson.

Due to the busy harvest season only seven members were present at the Sept. 10th meeting of the Willing Workers, held at the home of Mrs. W. Herbert. Roll call was "a vegetable creation."

Mrs. L. Jones took over the duties of treasurer, as the regular treasurer was absent. Mrs. J. Cowie gave a report on the visit made by several members to the Didsbury Lodge on August 21st.

Several items of business were discussed, but with so few members present most of it was tabled until the next meeting. However, it was decided that the date of August 19th be set for next year's fair.

Mrs. J. Cowie gave a short paper. The tea money prize was won by Mrs. D. Herbert.

Congratulations are extended to Miss Barbara Jackson on winning the L.O.D.E. scholarship at Didsbury high school last year.

Mr. Ralph Jackson narrowly escaped serious injury last Saturday, when he was caught in the auger of a grain-loader. He suffered bruises and lacerations to one arm, and one sleeve was torn off his shirt.

Mr. Howard Atkins of Edmonton visited at the home of Mr. and Mrs. S. Jackson on Friday.

Mr. Bill Wicely of Red Deer spent an overnight visit at the P. J. Jackson home recently.

## Not In Accord With Arena Board

The Editor,  
Didsbury Pioneer:

Dear Sir:

Recently the Kinsmen Club approached the Arena Board regarding the rental of the Arena to hold a fund raising function, offering to pay a nominal rental for one evening, and also to thoroughly clean the premises themselves. This proposal was turned down immediately, when the members of the Board learned that it was for the purpose of holding a Five-Car Bingo, where the possibility of profits to the sponsoring organization may have been considerable.

A percentage of the profit was insisted upon since the Arena, as we all know, is in great need of improvement. Had the Board itself decided to put on a fund-raising program, and do all work entailed it would probably have been supported by the community, but there has been no motion of any effort being contemplated or offered by them. We can feel nothing but chagrin that they have refused to rent the building for a reasonable fee, as well as, resorting to such methods as this to obtain funds for which they do not intend to work. Especially since all profits from this function would have resorted to projects in the community, such effort being the purpose and reason-for-existence of a Kinsmen Club in any community.

## COULD BE THEY HAVE AN AWARD . . .

Rumors are flitting past that Mr. and Mrs. Jim McCulloch, who farm in the Midway district, have been selected as one of Alberta's Master Farm award winners. As yet there has been no official announcement.

## MORE PUMPKINS . . . LESS ROOM HERE . . .

We asked for it . . . we're getting it — in big bundles!

Mr. Bob Artman, who does his gardening within the confines of Didsbury, arrived at this office one day last week with two fine pumpkins. He carried his choice produce to this fruit and vegetable display centre by wheelbarrow — a fair jump from his east Didsbury home.

By the way, the two specimens received here weighed in at approximately 30 lbs. and 20 lbs. and are now on display in The Pioneer Office.

## Kinsmen Cancel 5-Car Bingo

The Editor,  
Didsbury Pioneer:

Dear Sir:

The Kinsmen Club of Didsbury recently announced their intention to sponsor a five-car bingo to be held in the Didsbury Memorial Arena. It has since been found that a satisfactory agreement between the Kinsmen and the Arena Board regarding rental of the premises cannot be reached, and so we regretfully advise that the planned bingo will be postponed until it can be held as an open air program, some-time in the New Year.

We wish to express our thanks to all those who have spent time and effort in the support of our original plan.

(Signed):  
The Bingo Committee  
Didsbury Kinsmen Club

## CAR BINGO STARTS AT INNISFAIR

Norman Stignas was the first winner at Innisfair Saturday of the weekly \$12 cash prize awarded in conjunction with the play-at-home car bingo sponsored by the Innisfair and District Curling Club.

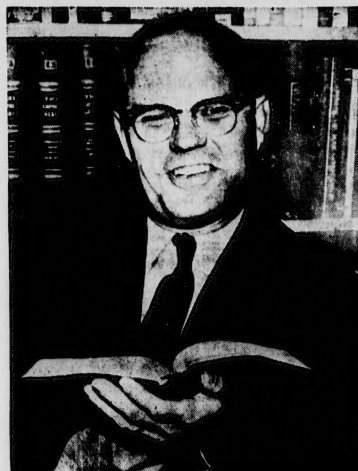

Proceeds from the bingo, now in its second week, will go toward the fund established to pay for the artificial ice plant installed by the club last winter.

## WESTCOTT W.A. PLAN TURKEY SUPPER

The regular meeting of Westcott W.A. was held at the church here, with 13 members and three visitors present. Miss Ruth Johnson acted as hostess. Devotional was given by Mrs. J. Langard.

Arrangements were made for a congregational turkey supper on October 8th. Plans will be shown following the supper.

Mrs. G. Ford spoke on Christian Citizenship.

Rev. Glenn Altmy smiles in his study at Buffalo, N.Y., after announcing he has decided to change his name in order to collect a \$75,000 legacy left him by an uncle he scarcely knew. The uncle, Norris Crafts, stipulated in his will that Altmy must take the name Crafts to collect the money.

Pilots of the RCAF's 115 Air Transport Unit at El Arish, Egypt, add a touch of Canada to the Gaza strip as they place a potted maple seedling in the ground. Left to right are: FO Bruce Levans, Vancouver, Flt. Lt. Gar Ash, Portage la Prairie, Man., and FO Terry Hendrickson, Winfield, Alta.

## Civic Group Formed By Interested Citizens

A meeting of about 60 people gathered in the Lions hall to form a new organization called the Didsbury Civic Association. The meeting elected Dr. J. A. D. P. as chairman and G. E. McDonald as secretary.

The intent of the association is to promote interest of the citizens of the town in our public affairs. The meeting nominated candidates to contest the various vacancies in the town government. It was decided that the meeting would convene every third month to discuss town affairs and possibly bring in recommendations to our various town boards.

It is hoped that the citizens of the town will use this medium to come in closer contact with the various governing bodies of the town and by doing this bring forth an interest in town affairs.

The next meeting is scheduled for sometime in January, at which time the committee will present the constitution.

## NEED BLOOD GETS HIS OWN

WASHINGTON — Policeman W. Young, a recent blood donor, was shot in a scuffle with a vagrant suspect last week and since then has had several blood transfusions.

Monday he took a look at the back of blood brought to his hospital room and sure enough it was his own. His name and address were on the label in his own printings.

"I gave that blood to the Red Cross several weeks ago," said Young. "I never thought I'd get it back."

Red Cross spokesmen said the case is unique in their experience. "None of us have ever heard of anyone getting their own blood back," one said.

## Education For Eternity . . .

Sunday school promotion Sunday will be observed at Redeemer Lutheran Church, on Sunday, Sept. 28, with the service beginning at 10:30 in the morning. The Sunday School children will be seated according to classes. Following the sermon, certificates of promotion will be given to the children.

Commenting on this, Pastor E. B. Fox stated: "Educate for Eternity" focuses our attention on the child as an important member of the body of Christ. It is not enough to train our children for effective living in this world. We must prepare them for everlasting fellowship with God in heaven.

Redeemer Lutheran congregation is in full agreement with this statement, and has shown this by providing better facilities for their ever-growing Sunday school. First, to be provided was additional classroom space, the basement was further divided by the use of draw curtains into smaller cubicles. To provide adequate lighting, the entire basement was re-wired, so that each classroom space had its own light, and the main part of the basement is now illuminated by fluorescent light.

The Sunday school staff is working to provide additional tables of varying heights for the classes.

Summing up next Sunday's service, Pastor Fox further stated: "We live in an age that in a large part ignores the Christian heritage. Our secular culture has in the minds of many people crowded out the necessity for religion of any kind. This we must counteract. Through a strong program of Christian education, the Church stands ready to help the home educate its children for eternity in this church, and the home must work together. We would like to extend an invitation to any family in the district whose children do not attend a Sunday School to come and get acquainted with the Sunday School of Redeemer Lutheran Church."

## DAIRY CLUB SCHEDULE FIRST FALL MEETING

The reorganizational meeting of the Didsbury-Carstairs Dairy Club will be held on September 26th, at the home of W. C. Fischer, five miles west of Didsbury. Anyone interested is welcome to attend.

## WEST NOTES

(From Our Own Correspondent)

Mr. and Mrs. J. Bagshaw visited the former's mother north of Edmonton over the weekend of September 14th.

Mr. and Mrs. A. L. Hogg were Calgary visitors Thursday last and Mrs. Arnold Hogg and Alan returned with them.

Mr. and Mrs. G. Befus attended the wedding of a relative in Calgary on Saturday.

The next meeting of the Elkton Willing Workers will be held at the home of Mrs. G. Befus, instead of Mrs. J. Bagshaw's, on Wednesday, October 8th.

## BIRTHS

## This Week's Hail Report

Following is a report from the W.R.D.C. hail suppression unit that is situated on the butte just west of town and covering an area of 750,000 acres, which includes the M.D. of Kneehill, M.D. of Rocky View and the City of Calgary.

As the farmers are well aware, unsettled weather has been the rule during the past week, with temperatures considerably cooler than the normal for this time of year. It occurred in the general area on two days, but damage within the hail suppression project seems to be negligible.

The most damaging storm occurred on September 17th, when hail-battering clouds developed and moved southward. A path of hail reports extended from near Westward Ho to near Drumheller. Some standing fax received light damage within the project area south of the town of Three Hills. No damage was reported in swathed grain in the protected area.

On September 19th, a violent, general storm moved eastward through the district, along with strong and sustained winds. Hail, heavy and mostly small, was reported west of the project, with only rain reported within the area. There was a report of a small drizzle near Red Deer receiving heavy hail, but this has not been confirmed.

This latter storm brought cold air into the region, with snow in the district and foothills, and some frost in the prairie region.

Hail suppression activities terminate at 12:00 o'clock noon on Thursday, September 25th.

## Lila Tuggle Top Woman Golfer

The ladies' section of the Didsbury Golf Club are hurrying to finish the season and to date the club championship and the championship consolation has been decided.

Mrs. Lila Tuggle will receive the trophy this year, following her win over Mrs. Vinny Currie. It took 11 holes to decide the issue in this match. Lila has been knocking on the door in previous competitions and this time came through with the big one.

In the consolation event Mrs. Marge Allen was successful in a final round with Mrs. Reeta Gillrie.

Winners of the silver and bronze divisions have not been announced as yet. Playoffs in these categories are asked to complete their games at the first opportunity.

Playing in a golf tourney in Olds on Sunday, Len Sips and Alf Allen, two of Didsbury's better golfers, showed our northern neighbors how the game should be played.

With a field of approximately 60, Len won the low gross, and received a trophy and cigarette lighter for his efforts. Alf won the low net and also was rewarded with a lighter and trophy.

Sounds like a fairly good average for the local club.

The final games in the Chinook Golf League will be held at Innisfair on Sunday. At the moment the local lads hold a 50-stroke edge over their nearest competitors.

## Is Didsbury A Target?

Didsbury hasn't lost its attraction for break-in artists. In the early hours of Tuesday morning no less than three premises were entered by unwanted visitors.

The post office, the Atlas Lumber Co. and the Crystal Dairy all had some attention. No great damage was done in any of these spots and apparently there was no great gain by the burglars.

Entrance to the post office was made through a sky-light and in the other two cases entrance was apparently made through rear entrances.

R.C.M.P. and local police are investigating.

## SPRINGSIDE NOTES

(From Our Own Correspondent)

Mrs. Eugene LeClair had her mother and brother, Mrs. Muston and Beale, of Aldre, visiting her on Wednesday of last week.

Mr. and Mrs. Verne Wragglessworth visited last Monday in Calgary with Leda Chamberlain and Mrs. Wragglessworth Sr., who returned with them to spend a few days here.

Mr. Frank Collinge of Calgary was in Didsbury overnight visitor with Mr. and Mrs. Bill Collinge.

## DIDSBURY INSTITUTE HEAR TALK ON CIVIL DEFENCE

The September meeting of the Didsbury W.I. was held at the home of Mrs. F. Pross, with 14 members and three visitors present.

Roll call was an article for the Auction Sale, which was very ably handled by a visitor, Mrs. B. Johnson, who also gave a talk on Civil Defence, which gave the group something to think about.

It was decided to donate \$25.00 to the Senior Citizens' Home to help pay for the deep freeze, which was the W.I. project for the year. A football will be purchased and sent to the hospital at a later date. The auction sale amounted to \$9.45. Mrs. Roach won the 10-cent draw.

The October meeting will be held at the home of Mrs. R. Barrett.

## Kin Korner

Members of the club have been invited to a ladies' night at Hanna, on Tuesday, October 7th. Those wishing to attend are asked to contact President Glen Roberts as soon as possible.

The Kinettes will meet at the home of Louise Jackson for their regular meeting on Wednesday, October 1st.

Caterpillar and Cat are registered Trade Marks of Caterpillar Tractor Co.

## Will It Remain A Skeleton ???

The above line refers to the Memorial Arena. A fairly hot controversy has been going on between a local service club and the arena board as regards rental fees for a five-car bingo night. No suitable agreement could be made between the interested parties so the doors of the arena will remain closed on the night in question — the event has been cancelled for the time being. We've heard both sides of the story, from various sources, and feel that either side could have edged a little closer in their demands. No doubt it costs money to operate and maintain the building — no doubt the service club would have given assistance in this direction, should they make a profit. It's just one man's opinion again, but we do think that the event should have gone through as scheduled, a compromise should have been made. As it stands now the arena will remain a skeleton that night — a very tired and lonely memorial.

## Just For The Record . . .

Watching the town employees cleaning the main streets the other day, with a shovel and broom yet, we were wondering how many platoons will be put into action when the mud, snow, and what-have-you, becomes a problem. Wonder if any arrangements have been made to procure mobile equipment that will do a much better job, much easier, and in the long run, much cheaper?

## It Could Happen Here . . .

No H-bombs dropped in this area last Friday, the day that was set aside all across our fair land to demonstrate the facilities of civil defence units. No more than 55 persons from this district were interested enough to drop around to the local civil defence headquarters to observe what facilities are available for their protection. Seems like most of us peace-loving people don't realize the importance of civil defence. Seems like we may have to learn the hard way. Seems like a lot of us haven't been reading the world headlines. Seems like it's time we did!

## Guest Editorial

### RAT RACE ON FREIGHT RATES

It seems quite natural that the railways should ask for higher rates when their operating employees have been awarded higher wages. The consumer will be called upon to shoulder the load.

The situation is confused by charges by labor that railway management is padding executive positions and the fat salaries of these executives while at the same time bowling the increase awarded to the employees who do the actual work. There are undoubtedly arguments on both sides. The railways would like to have the Crow's Nest Pass freight rates agreement on grain shipments declared void. The farmers of Western Canada are clinging to this one and only safeguard remaining to them, for Western Canada agriculture could not withstand a two-way freight hike at the present time without requiring more deficiency payments than Dieffenbaker has already provided for.

We usually try to keep an open mind on public questions, but when it comes to the problem of freight rates in Canada there is little substance to maintain an open mind. How the railways can haul freight from Toronto and Montreal to Vancouver at less cost than to Calgary or Edmonton is something no sane economist will swallow without question, then a few years back we learned that most freight in Eastern Canada is hauled at even lower rates than those provided for the western wheat grower by the Crow's Nest Pass Agreement. The idea seems to be to take all the traffic will stand while there is no alternative left to the consumer.

## Midway News

(From Our Own Correspondent)

The October group meeting of the Women's Institute was held at the home of Mrs. H. Pendergast, with nine members in attendance. It was decided to help with the mental health campaign; Mr. Miller will be at the school on the evening of October 2nd, to lecture and show a film. A silver collection will be taken.

The Farmers' Union had as their speaker at their September meeting, Mr. P. H. Fisher, district agriculturalist. He plans to start a short course on "Farming Operations", for ladies and gents, on Nov. 5th. Due to the small attendance arrangements will not be concluded until the October meeting.

Mrs. Yellowlees, mother of Mrs. John McNaughton, has returned from an extended trip to the British Isles.

Larry Taylor and Norman Fisher have left for university training; Larry will go to Winnipeg to further his architectural knowledge and Norman left for Edmonton where he will take a civil engineering course.

Mrs. Roy Benjamin and baby are visiting at her parents' home while Roy is on a service course in Ontario.

Mrs. Sandy Brander was the winner of the deep freeze, given by Oelvie Flour Mills, at Neapolis Store recently.

## The Scotsman's Paradise . . .

Many readers will recall the dry humor of Banff's late promoter and naturalist. He travelled far and wide, showing colored slides of the magnificent scenery in Banff National Park and wild life pictures which he had taken himself. Any time he opened his lectures where we were present he would say something like this:

"We have the most interesting business in the world. We sell the same thing over and over again each succeeding year, and we still have it. . . and the people come back again and again and tell us that they like our business deals." One does not have to analyze this statement very deeply when he drives past a lake, all vivid in green, and patterned with the reflection of majestic mountain peaks in their heavy lower shrouds of quieting evergreens. One of the great mysteries of the year-by-year success of Jasper Park Lodge is the fact that its sleeping quarters are erected in the midst of the natural growth forest evergreens. It is forever quiet there. Just enough of the natural trees have been cleared away to introduce the warmth of the morning sun.

The guests from the crowded cities find themselves sleeping soundly without the aid of sedatives, then arising with keen appetites and streaking for the dining room to be there when it opens at 7:30, ready for a wholesome breakfast. Then they are amused by the presence of the bear and the deer and the beaver in the lake waters in front of the Lodge. The swimming and golf are artificial outlets for enjoyment, but also very necessary, and for those who can take it there are the riding horses.

There are just enough lawn and flowers at Jasper to show the hand of man co-operation with nature, and if you are aesthetically minded, you can enjoy the romanticism of the open fire place . . . so long as you don't have to cut and carry wood yourself.

## Buying A Winter Coat?

Buying a winter coat is a major  
investment, one about which you  
can not afford to make a mistake.  
Consider carefully

1. The length. This winter's  
coats come in every length from  
hip-length to skirt-length. These  
less than full length coats look  
newer, but require the most care-  
ful kind of co-ordination with every  
skirt you plan to wear under them.  
A full length coat may be a better  
buy for you.

2. The color. Coats now come in  
a rainbow of beautiful colors. A  
clear red or a nice brogit tweed  
can be a bright sight on a winter's  
day. But remember that when you  
buy a winter coat you have to  
wear this for a long time for winter  
is long, and perhaps for several  
winters. So be careful to pick the  
coat you will not tire of quickly.

3. The trim on your coat. If  
your coat is to be an all occasion  
one, it might be a good idea to  
choose one you can wear with dif-  
ferent scarves, fur pieces, or jew-  
elry, and therefore have different  
looks for different times of day.

To satisfy Autumn Appetites

At this time of year we are all  
interested in something new to add  
interest to our meals - Here are  
three recipes that I like very much  
I hope you will too

## Corn and Pork Chop Dinner

6 medium pork chops  
Prepared mustard

1 (20 oz.) can corn cream style

1 (20 oz.) can whole kernel corn

1 egg (slightly beaten)

1 cup soft bread crumbs

1/4 cup onion chopped

1/4 cup green peppers (optional)

1 tap. salt

Brown chops in a little hot fat.

Spread lightly on both sides with

the mustard, and season with salt

and pepper. Combine cream style

and whole kernel corn, egg, soft

bread crumbs, onion and green

pepper. Season with 1 tap. salt and

dash pepper. Arrange chops in bak-

ing dish. Spoon stuffing between

and around chops. Bake uncovered

1 hour at oven temperature of 350

degrees. F. Serves 6.

## Savoury Supper Dish

1 cup cooked ham

2 cups canned tomatoes (solid)

1 egg beaten

1 cup cracker crumbs

2 tap. french mustard

2 tap. salt

1/4 tap. pepper

Season with onion

1/2 cup grated cheese

2 tap. butter

Dice ham, mix with tomatoes,

beat egg, blend with 1/2 cup cracker

crumbs; mustard (mustard may be

omitted) add ham and tomatoes.

Mix cheese, butter and remaining

cracker crumbs. Sprinkle over top

of mixture. Bake in moderate oven

(350 degrees F) 30 minutes or until

brown.

## Veal Birds

1 1/2 pounds veal cutlet, sliced thin

1 cup bread dressing

2 tablespoons fat

4 cup flour

1/2 teaspoon salt

3/4 cup water or vegetable stock

1. Dip veal in flour, shake off

excess, dip in egg, then in bread

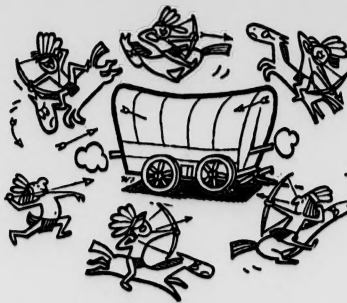

dressing. Fry in hot fat about 45

minutes. Drain on paper.

2. Add the ketchup to the gravy;

thicken it if necessary with flour

and water.

## Notes From D.A.

District Agriculturist  
By HOWARD FULCHER

There are eight 4H Clubs in this  
district, five with beef projects and  
three with dairy projects. These  
clubs are supervised from this of-  
fice while the leadership is from a  
local man, each club has its own  
elected club executive.

The clubs are made up of rural  
boys and girls between the ages of  
twelve and twenty years, each club  
must have at least 12 members.  
The beef clubs take a project where  
the members secure a calf in the  
fall and feed this calf through the  
winter on till June at which time  
they show and then sell their calf  
at an Achievement day. The dairy  
club members secure a dairy heifer  
calf in the fall or early winter and  
care for this calf, showing it next  
summer at an achievement day. The  
dairy calves are not sold but are  
kept by the members and shown the  
following year in a yearling  
class.

Club meetings are held at regu-  
lar intervals during the year with  
the members conducting their own  
club business. The leaders direct  
the club activities and give instruc-  
tion and help the individual mem-  
bers as they carry out their project.  
Members receiving training in con-  
ducting meetings, public speaking,  
selection, training and grooming of  
animals and in feeding and keep-  
ing feeding records.

Any boy or girl interested in join-  
ing a 4H club should contact any of  
the following leaders: Vair Reid,  
Cremona Beef Club; Harold Schiel-  
ke, Carstairs Beef Club; Gordon  
Robertson, West Didsbury Beef  
Club; A. E. Brander, East Didsbury  
Beef Club; L. S. Fisher, Olds Beef  
Club; W. C. Spicer, Didsbury-Car-  
stairs Dairy Club; Alex Craig, Bet-  
chton Dairy Club; Bob Armstrong,  
Olds Dairy Club.

These clubs will soon be re-organi-  
zing for the coming project year  
and would welcome new members.

## Squirrel Cage ...

SO TRUE, SO TRUE ...

One thing about getting along  
in years is that you feel your corns  
more than your oats.

TRUE AGAIN ...

He who loses his head is usually  
the last one to miss it.

MAKES SENSE ...

When the going seems easy, 'tis  
a good idea to make sure you're not  
going downhill.

AND THEN ...

There were the two nudists who  
decided to break it up because they  
had decided they had been seeing  
too much of each other.

2 tablespoons ketchup

Cut the veal in 6 squares; dredge  
with seasoned flour; pound to flat-  
ten.

Divide the dressing among the 6  
squares; roll the meat around it  
and fasten with small skewers or  
toothpicks.

Brown in hot fat; add the li-  
quid; cover and simmer until ten-  
der, about 45 minutes.

Add the ketchup to the gravy;  
thicken it if necessary with flour  
and water.

## DISTRICT NEWS

### CREMONA NEWS

(From Our Own Correspondent)

Donna McBain returned home and Mrs. D. McBain, returned home Saturday afternoon from the Didsbury hospital, after spending almost a week there.

Bernice McBain returned home last Friday after spending several days with her grandparents, Mr. and Mrs. Mackay of Red Deer.

Mr. Mickey Earle was hospitalized last week when he was injured while rounding up cattle. A heifer ran between the front legs of the horse Mr. Earle was riding, causing the animal to fall and throw him to the ground. The horse then rolled overtop of him. Although suffering from concussion, the doctor reported Mr. Earle's condition as favorable and expects he will be home before long.

Mr. Roland Culp spent last week in hospital. He was expected to return home last Sunday.

The C.G.I.T. Group held its first meeting of the season last week.

The Charles Reid family are back in Cremona after an absence of several months.

A special service of communion and infant baptism was held in the Water Valley school on a recent Sunday, with Rev. Magee officiating.

Mr. and Mrs. Howard Burrell of Vulcan were weekend visitors with Mr. and Mrs. L. Sanderman.

Mrs. Bemus of Calgary visited Sunday with Mr. and Mrs. V. Burkholder.

Mrs. Monna Munn has been invited to be soloist at the wedding of Miss Phyllis Bouch in Red Deer, early in October.

## WEDDING DAYS

### TRAUB — WOLFE

A lovely afternoon wedding was solemnized Saturday, August 30, at the People's Mission, Kelowna, B.C. when Doreen Wolfe, daughter of Mr. and Mrs. Karl Wolfe of Kelowna, became the bride of Mr. Edward Lavern Traub of Didsbury.

Rev. H. A. Traub, father of the groom, performed the double-ring ceremony, and was assisted at the dedication service by Rev. Donald Taylor, president of Mountain View Bible College, Didsbury.

Given in marriage by her father, the bride was charming in a full-length gown of pure silk over satin. The lace bodice featured a scalloped bateau neckline and long lily-point sleeves. Her lace edged fingertip veil misted from a chaplet of iridescent aquinas. She carried a white feather pouch accented with pink rosebuds and white stephanotis.

Attending the bride were Miss Elaine Wolfe, the bride's sister, as maid of honor; Miss Joyce Wolfe, also a sister of the bride, and Miss Joyce Traub of Didsbury, sister of the groom, as bridesmaids. They were identically attired in waltz-length gowns of sky-blue sheer nylon over taffeta, with floating back panel. Each carried a pink feather pouch with touches of deeper pink roses. Pink feather headbands completed their ensemble.

Little Shariene Wolf, niece of the bride, from Mossbank, Sask., as flower girl scattered rose petals from her pink feather basket.

Attending the groom were his three brothers, Mervin, Kenneth and David, all of Didsbury. Guests were seated by Mr. John Wolfe of Vancouver and Mr. Ormand Sherick of Didsbury, brother-in-law of the groom.

Mrs. Sherick, the groom's sister, was at the organ console. During the ceremony Mr. Sherick sang "The Wedding Prayer."

A garden reception for 150 guests was held at the home of Dr. and Mrs. F. E. Gray.

Following a wedding trip to Vancouver the newly-weds will make their home in Didsbury, where the groom will resume his position on the music staff of the Mountain View Bible College.

### M.V.B.C. NEWS

(From Our Own Correspondent)

President and Mrs. Taylor and family attended the Montgomery church on Sunday, where Mr. Taylor took charge of the communion service. Mr. Taylor is vice-district superintendent of the United Missionary Church, as well as college president, and on occasion substitutes for Rev. H. A. Traub in his absence.

Our dormitories promise to be filled to capacity with students this winter. It is possible that we may have an extra student or so and will arrange for their accommodation elsewhere on the campus. There is still a couple of weeks before registration and others may enroll.

The college is busy with arrangements to build a home for the president, on one of the lots south of the school, which is college property. Mr. Taylor is doing all he can to facilitate progress in this direction, under the direction of the executive committee of the college. It is hoped it will be under construction very soon.

Rev. and Mrs. William Falk, of Victoria, B.C., were supper guests of the Taylor family on Saturday. They had visited with Mrs. Suder the former part of the week and were supper guests of Miss Eby on Monday. They are visiting in the community for a few weeks.

The Faculty Retreat for the members of the teaching staff and general staff of the college will be held October 2nd and 3rd. This is a yearly occasion, when plans for the winter are finalized and arrangements made for events during the winter.

This last week ladies have again come to the help of the college to clean and make rooms ready for students, as well as preparing the office, classrooms, music studio, dining room, kitchen, etc., for use. This is always a big task and the work done is certainly appreciated. The college is in need of vegetables for this year and will be most happy to receive any donations in this line, large or small.

The Farmers' Union of Alberta plans an all-out membership drive during the week of November 3rd to 8th.

### LIGHT YOUR WAY . . .

### . . . WITH BIBLE STUDY

"I believe in Jesus Christ."

The angel in announcing the birth of a child to Joseph, the earth-father of Jesus, said: "And she shall bring forth a son, and thou shalt call His name Jesus: for He shall save his people from their sins." And thus, we have the meaning of the word "Jesus."

Jesus means "Savior." In our daily lives, we use this term often. Doctors save health; lawyers save their client's name; beach guards save life; but Jesus saves "His people from their sins." Artists who have grasped the true meaning of the life of Christ have painted the Christ-Child, lying in the cradle, with the vision of the cross hovering over his head, in recognition of the fact that from earliest childhood Christ, ever thought of the cross as His goal in life.

"Christ" on the other hand means the "Christ-ened One" or the "Anointed One." This is in accord with the old Hebrew term "Messiah." "Christ" is not really a name, but a title; like governor or president. It indicates that Jesus held public office. That office was prophet, priest and king. So Christ was anointed, chosen, consecrated, or set-apart by God for a specific work. That work, as the name "Jesus" indicates, then was to "save His people from their sins."

However, and this may be of interest to many, our Lord Jesus Christ bears over 80 different names in the New Testament Scriptures. He is spoken of as "Advocate," and then all the way through the alphabet to "Worthy Name."

Peter, the Apostle of the Lord, in his master address before the Jewish Council in Jerusalem, summed it all up in clear-cut words: "Neither is there salvation in any other; for there is none other given among men whereby we must be saved."

Yes, you and I need a Savior. The Law, which we have not kept, clearly reveals this fact. Here is the one and only Savior — Jesus the Christ, sent by God "to save His people from their sins." Have you accepted Him? John the Baptist, speaking of Jesus to the people of his day boldly stated: "He that believeth in the Son have everlasting life; he that believeth not the Son shall not see life, but the wrath of God abideth on him."

**WOULD REFUSE ILLITERATE ONTARIO DRIVER PERMITS**

An Ottawa coroner's jury has recommended that illiterate persons be refused drivers licenses in Ontario.

The jury made the recommendation Tuesday after hearing a case in which a six year old youngster was killed by a car driven by a man who according to one investigator, could not read any signs except those saying "stop".

The driver was not found responsible for the Sept. 9th death of the child. The jury ruled that the child was to blame for running in front of the oncoming car. At the same time however, the jury recommended that the license be cancelled on the grounds of illiteracy. They also suggested that no further licenses be issued such persons.
